Normal Operations

Cal OES INLAND REGION

- Nothing significant to report.

Cal OES COASTAL REGION

2018 SF Fleet Week, San Francisco

San Francisco's Fleet Week takes place along the Fisherman's Wharf and the Marina District 10/01/18 – 10/08/18. The Parade of Ships, tours, and many community events are scheduled throughout the week. Air shows are scheduled from 1200 – 1600 hours on 10/05/18, 10/06/18, and 10/07/18, featuring the Patriots Jet Team, US Navy P-3 Orion and P-8 Poseidon, Lucas Oil Air Shows, Sean D. Tucker and Team Oracle, and the U.S. Navy Blue Angels.

Activations

- The San Francisco Department of Emergency Management (SF DEM) activated at a Level 2, operational period 1000 – 1800 hours, 10/05/18 – 10/07/18.
- SFPD Department Operations Center (DOC)
- Port of San Francisco
- SF Municipal Transportation Agency
- U.S. Park Police

Deployments

- 1 Cal OES Tactical Communications Assistant Chief is assigned to 2018 Fleet Week, MIGU2, COM25 (Static Display), CRU, and San Mateo Sheriff's Office staff to support.

Cal OES SOUTHERN REGION

Mud Pot Geyser, Niland, Imperial County

On 10/04/18, Imperial Operational Area (OA) notified Cal OES that the existing geyser moved approximately 50 feet toward the Union Pacific Railroad (UPRR) tracks, defeating a metal wall that had been erected as a mitigation measure.

- The movement impacts a UPRR track.
- This will slow down train traffic considerably.
- Shoofly Bypass needs to be finalized to allow trains to safely transit the area.
- The Cal OES Southern Region Duty Officer (SDO) is monitoring and participating in conference calls with the OA.

SITUATION SUMMARY

Cal OES SOUTHERN REGION (Continued)

Virulent Newcastle Disease (VND) in Backyard Poultry and Avian in Los Angeles, San Bernardino, and Riverside Counties

The California Department of Food and Agriculture (CDFA) has detected virulent Newcastle disease (vND) in backyard exhibition poultry and avian in San Bernardino, Riverside, and Los Angeles counties, and declared an Agricultural Emergency on 06/26/18. The CDFA State Veterinarian-Director has established an animal (defined poultry species) and animal products quarantine in designated disease control areas in the counties of San Bernardino, Riverside, and Los Angeles. Since 05/18/18, the USDA has confirmed 156 cases of vND in backyard birds in California, 102 in San Bernardino County, 22 in Riverside County, 31 in Los Angeles County, and 1 in Ventura County.

Deployments

- 1 Cal OES Southern Region Senior Emergency Services Coordinator (ESC) is deployed as an Agency Representative

WEATHER OF CONCERN

Weather of Concern

- The strongest offshore wind event so far this fall will continue through Monday morning. The combination of strong offshore winds, lowering humidities and warm daytime temperatures will create the potential for critical fire weather conditions.

Weather Advisories, Watches, and Warnings currently active in California:

- <http://www.wrh.noaa.gov/hazardSummary/?state=ca>

Active Weather Warnings, Watches and Advisories by County:

WEATHER SYNOPSIS BY REGION

NORTHERN CALIFORNIA

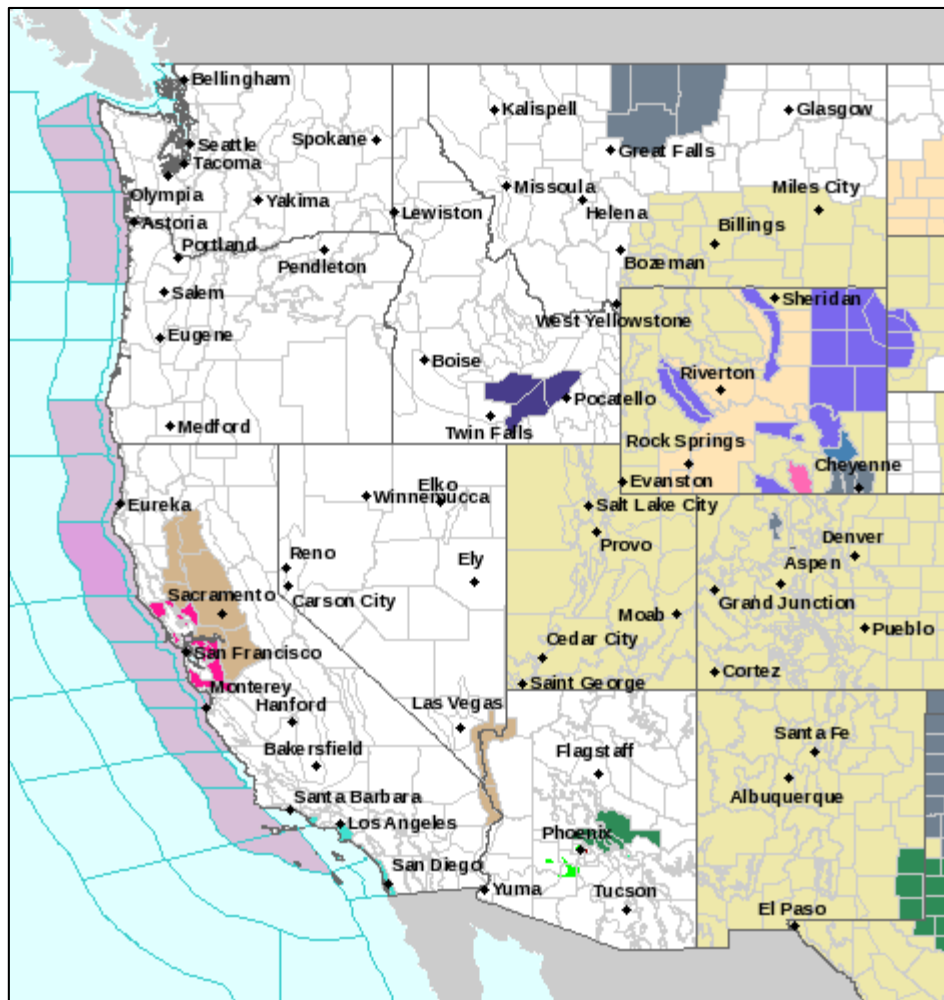

- Strong, gusty N to NE/off shore wind and low Relative Humidity (RH) western Cascade-Sierra slopes to the coast today through Monday with High Risk Significant Fire Potential Diablo-Santa Cruz
- Strong high pressure well off shore and low over AZ have set up north wind pattern over the region for a few days.
- N to NE/off shore winds today through Monday from western slopes Cascades/Sierra to coast, speeds 15-25 mph with gusts mostly 30-45 mph, strongest gusts southern Sacramento Valley and nearby mountains plus higher western Cascade/Sierra slopes
- Wind and low RH (minimum around 15%, overnight recovery 20-35%) for the southern Sacramento Valley areas where there has not been much precipitation has led to High Risk designation Diablo/Santa Cruz mountains for the duration of this wind event.
- Other local areas in the Lake/Napa County mountains will have similar wind/min RH, but recent precipitation to help mitigate fire potential those areas
- Mostly clear skies will prevail for the next 7 days, although higher clouds expected at times, especially northern and eastern areas with no significant precipitation from them
- Lighter winds and higher RH are expected Tuesday onward, although some moderately strong, gusty overnight NE to E wind through the western drainages of the Cascades/Sierra seem likely.

SOUTHERN CALIFORNIA

- A couple more troughs will drop down into the Great Basin from Western Canada through Thursday. The bottom of the last trough will cut off from the main flow and form a low-pressure area off the Southern California Coast which will sit and spin through next weekend. Some moisture from Hurricane Sergio may get entrained in this low-pressure area.
- Isolated showers will form over the San Bernardino and Cleveland National Forests through this evening with little in the way of additional accumulation.
- Northeast winds of 15 to 25 mph with gusts to 40 mph will surface across the Angeles National Forest tonight.
- Temperatures will remain 5 to 10 degrees below normal through next weekend, with mid 50s to mid 60s across the mountains and upper 60s and 70s in the valleys.
- Southwest to west winds of 20 to 30 mph with gusts to 50 mph will surface across the desert passes Wednesday afternoon and evening.
- Scattered showers and thunderstorms will be possible across the region Thursday night through next weekend.

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2018-LAW-52158, 10/03/18, 1600 hours:** Riverside Sheriff requested assistance in the search for a missing person. The subject was reported missing from the El Centro area on 10/01/18. His abandoned vehicle was located the following day in an rural area just east of Mecca Ca. The vehicle appeared to be stranded by a washed out road caused by flash flooding earlier in the week. Riverside County is requesting 50 SAR ground searchers and 4 Human Remains Detection (HRD) dogs to meet for two day mission beginning 10/04/18 at 0700 hours. The Incident Command Post is located approximately 3 miles east of Mecca, CA. AC Smithson contacted Orange, Kern, Los Angeles, San Bernardino, Imperial, and San Diego Counties for resources. CARDA will deploy a HRD dog for the search. **Update:** [Search on 10/06/18 at 0700 hours was supported by 63 searchers, canines, and ORV's. At the conclusion of the operational period, based on results of search, Riverside Sheriff's Office made the determination to transition to local resources only search, with no additional outside resources requested. Mission Closed.](#)
- **2018-LAW-52025, 09/30/18, 1400 hours:** Port of San Diego requested assistance from the Cal OES Law Enforcement Branch/Cyber Security Integration Center to mitigate a technology attack to their server. Cal OES will deploy a Cal-CSIC team comprised of Cal-CSIC, California Military Department (CMD), and California Department of Technology (CDT) staff. **UPDATE, as of 10/04/18:** Cal-CSIC has three team members at Port of San Diego assisting with forensics and recommending best practices as the Port works to restore IT services. The team consists of one each cyber analyst from Cal OES, CMD, and CDT. The mission is expected to extend through 10/12/18. **Mission Ongoing.**

Cal OES MISSION TASKING

Cal OES Missions

- **2018-Cal OES-51904:** 2018 July Statewide Wildfires – CNG to provide 55 SHOUT NANO devices, 1 laptop computer, transportation, and required training in support of debris removal operations in the Carr Fire burn area. (On Scene)
- **2018-SREOC-51612:** 2018 July Statewide Wildfires - Holy Fire and Cranston Fire Burn Scars, Riverside County - Advanced Technical Assistance to address the imminent threat and high risk of mud and debris flows the Riverside County Operational Area will experience from the Cranston and Holy fire burn area. (On Scene)
- **2018-IREOC-49869:** 2018 July Statewide Wildfires - Debris Management Task Force for Shasta County. (Coordinating)
- **2018-IREOC-48515:** 2018-07-05-Klamathon Wildfire - Air monitors in Siskiyou County due to the Klamathon Fire. (On Scene)
- **2018-CREOC-48046:** 2018-06-23-Lake-Wildland Fire - DTSC to clear debris from Pawnee Fire. (Coordinating)
- **2018-IREOC-45244:** Daily Operations - Caltrans to remove dead and dying trees along highways in Kern, Tulare, Fresno, Madera, Mariposa, Tuolumne, Calaveras, Butte, Plumas, Sierra, Shasta, and Lassen counties. (On Scene - Long-term assignment)
- **2017-SOC-44098:** 2017 December Wildfires - CalRecycle Debris Management Team in Ventura County. (On Scene)
- **2017-Inland-42559:** Daily Operations - Weather station installed to gather real time rainfall data by Air Resources Control Board (ARB). Mission extended through 05/30/19. (On Scene)

Cal OES

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
